

Wireframe Assignment

System Used: MacBook Pro

Screen Size: 14"

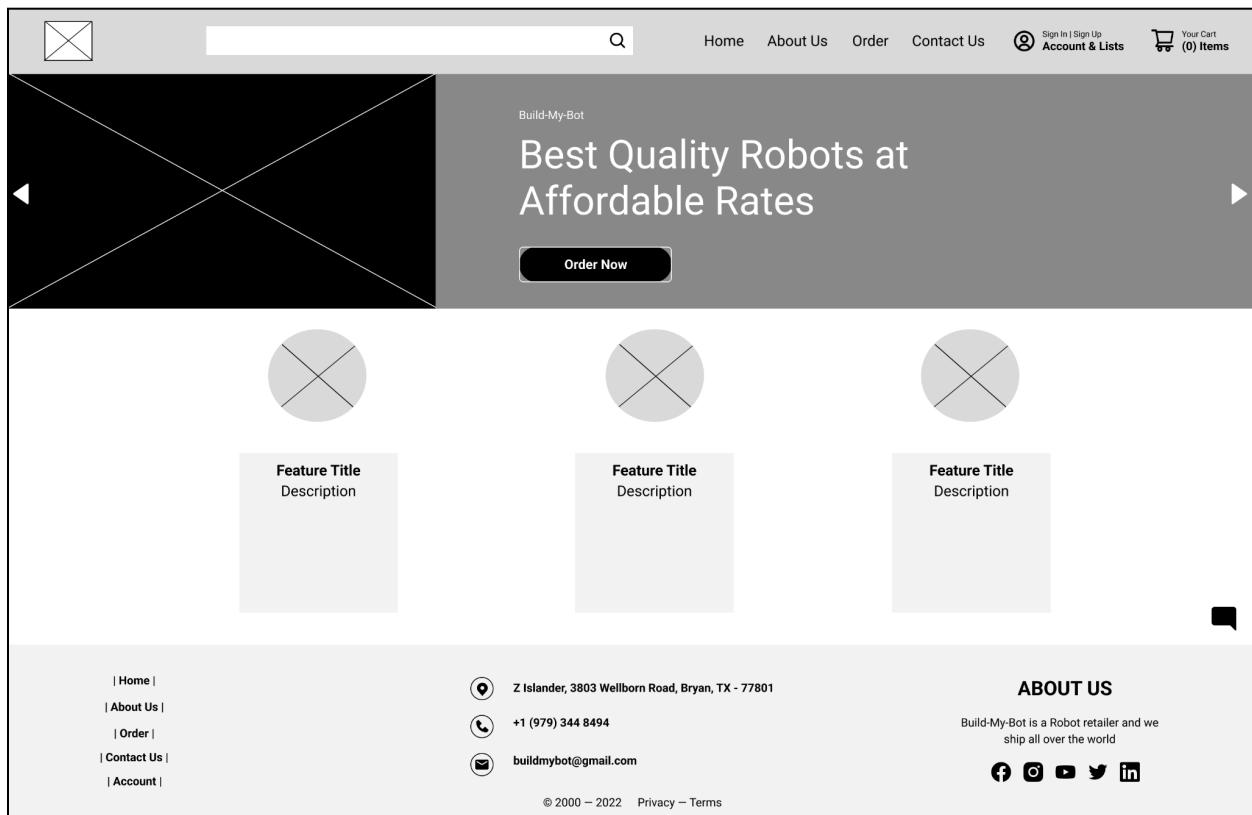

Home Page

As soon as the user opens the website, they'll land on this page. The user will be able to go through a carousel at the top which gives a gist of the various products available. The user can also review 3 USPs of the company along with their short description. The user can also use a chatbot regarding basic questions and concerns.

These features and operations are available on all pages for the user:

Header: The user can use the Search Bar to search anything and everything on the website viz. products, details, etc. They can navigate to any page on the website by easily accessing the page links. Account information and Cart can also be accessed.

Footer: Also if the user is at the end of the page and wishes to switch to another page, they have the choice to do that as well through the links. Contact and company description in brief along with social handle links can be found as well.

Login Page

After the User has gone through the Home page, they're expected to login next. Here the user can sign in by entering their preset username and password through a secure channel.

The screenshot shows the login interface for the Build-My-Bot website. At the top, there's a navigation bar with links for Home, About Us, Order, Contact Us, and Account & Lists. A search bar and a shopping cart icon are also present. The main content area is divided into two sections: a 'Sign in' form on the left and a 'Hello, Friend!' promotional section on the right. The 'Sign in' form includes fields for Username and Password, and a 'Sign In' button. The 'Hello, Friend!' section features a 'Sign Up' button and a placeholder text: 'Enter your personal details and start a journey with us!'. Below the main content is a footer with links for Home, About Us, Order, Contact Us, and Account. It also includes contact information: address (Z Islander, 3803 Wellborn Road, Bryan, TX - 77801), phone number (+1 (979) 344 8494), and email (buildmybot@gmail.com). The footer ends with a copyright notice (© 2000 – 2022 Privacy – Terms) and social media icons for Facebook, Instagram, YouTube, Twitter, and LinkedIn.

Sign Up Page

If at all the User doesn't have an account created already, they should toggle to this page and create a new username and password to sign in later.

The screenshot shows the Build-My-Bot website's sign-up process. At the top, there is a navigation bar with links for Home, About Us, Order, Contact Us, Account & Lists, and a shopping cart icon showing 0 items. Below the navigation, a breadcrumb trail indicates the user is at 'Build-My-Bot > Sign Up'. The main content area is divided into two sections: a 'Welcome Back!' section on the left with a 'Sign In' button, and a 'Create Account' form on the right. The 'Create Account' form contains fields for Username, Full Name, Password, and Confirm Password, followed by a 'Sign Up' button. A large 'X' is drawn over the right side of the page, covering the account creation form and part of the footer. The footer includes links for Home, About Us, Order, Contact Us, and Account, along with contact information (Z Islander, 3803 Wellborn Road, Bryan, TX - 77801, +1 (979) 344 8494, buildmybot@gmail.com) and social media links for Facebook, Instagram, YouTube, Twitter, and LinkedIn. It also states that Build-My-Bot is a Robot retailer and ships worldwide.

Order Page

On the order page, the user can filter and sort through the available products via various options. The user can review the star rating of the product, price and also add it to their cart.

The screenshot shows the 'Order' page for 'DIY ROBOT RANGE'. At the top, there's a navigation bar with links for Home, About Us, Order, Contact Us, Account & Lists, and a shopping cart icon showing '(0) Items'. On the left, a sidebar titled 'Filter Your Results' includes dropdown menus for Category, Brand, Rating, Price, Discount, and Bundles, and a 'Sort By' dropdown set to 'Popularity'. The main content area displays ten product cards arranged in two rows of five. Each card features a placeholder image, a product name, a star rating, a price, and an 'Add to Cart' button. The products are: 1. Product Name: ★★★★½, USD \$500 2. Product Name: ★★★★½, USD \$250 3. Product Name: ★★★★½, USD \$100 4. Product Name: ★★★★½, USD \$700 5. Product Name: ★★★★½, USD \$50 6. Product Name: ★★★★½, USD \$450 7. Product Name: ★★★★½, USD \$390 8. Product Name: ★★★★½, USD \$260 9. Product Name: ★★★★½, USD \$140 10. Product Name: ★★★★½, USD \$40. Below the products are navigation links for 'Previous Page' and 'Next Page', and a page number indicator '1 2 3 4 5 6'. At the bottom, there's a footer with links for Home, About Us, Order, Contact Us, and Account, along with contact information (Z Islander address, phone number, email), an 'ABOUT US' section, and social media links for Facebook, Instagram, YouTube, Twitter, and LinkedIn.

Shopping Cart Page

As soon as the user enters products in their cart, they can review it by accessing the cart through the cart symbol. Here they can add their delivery address, look at all charges and enter a promo code if available and proceed to checkout.

The screenshot shows a shopping cart page with the following details:

	Unit Price	Quantity	SubTotal
Product 1 InStock Remove	USD \$700	1 :	USD \$770 Taxes (10%): USD \$70
Product 2 InStock Remove	USD \$200	2 :	USD \$440 Taxes (10%): USD \$40

Below the cart table, there are three dropdown menus: "Edit Delivery Address", "Estimated Delivery and Surge Charge", and "Promo Code". A "Proceed to Checkout" button is located below these menus.

On the right side, there is a "Related Products" section featuring "Product 3" and "Product 4", each with an "Add to Cart" button. The "Product 3" section shows "USD \$500" and "Product 4" shows "USD \$100".

At the bottom of the page, there is a footer with links to "Home", "About Us", "Order", "Contact Us", and "Account". It also includes contact information: "Z Islander, 3803 Wellborn Road, Bryan, TX - 77801", phone number "+1 (979) 344 8494", and email "buildmybot@gmail.com". The footer also contains social media icons for Facebook, Instagram, YouTube, Twitter, and LinkedIn, along with the text "Build-My-Bot is a Robot retailer and we ship all over the world".

Tracking Page

Once the order is placed, the user can enter their OrderID and track the status of their package delivery.

The screenshot shows a tracking page for a package. At the top, there is a navigation bar with links for Home, About Us, Order, Contact Us, Account & Lists, Sign In / Sign Up, and a shopping cart icon showing 0 items. The main content area has a title "Track Your Package" with a subtitle "Get complete details regarding your order and delivery on your fingertips". It features a search input for "Enter OrderID" and a "Track Order" button. Below this, a timeline shows five stages: Order Placed, Packed, In Transit, Out for Delivery, and Delivered, each accompanied by a circular icon with a checkmark. To the left of the timeline is a placeholder for "Ready For Pickup". To the right is a section titled "Shipment Details" with fields for Shipment Number (#123456), Shipment Received (MM/DD/YYYY, Time), and Location (College Station, Texas). At the bottom, there is a sidebar with links for Home, About Us, Order, Contact Us, and Account, along with social media icons for Facebook, Instagram, YouTube, Twitter, and LinkedIn. There is also an "ABOUT US" section with the company's address (Z Islander, 3803 Wellborn Road, Bryan, TX - 77801), phone number (+1 (979) 344 8494), email (buildmybot@gmail.com), and a note that the company ships all over the world.

Contact Page

Here the user can review contact details about the company, look at the location through the map and also send a message to the company just by entering a few details.

The screenshot shows the 'Contact' page of the Build-My-Bot website. At the top, there's a navigation bar with links for Home, About Us, Order, Contact Us, Account & Lists, Sign In / Sign Up, and a shopping cart icon showing 0 items. Below the navigation is a breadcrumb trail: Build-My-Bot ▶ Contact. The main heading is 'GET IN TOUCH'. To the right is a large map icon showing a location marked with a pin. On the left, there's a contact form with fields for Your Name, Email, Phone Number, and a larger area for Your Message. Below the form is a 'Send Message' button. At the bottom, there's a footer with links to Home, About Us, Order, Contact Us, and Account, along with social media icons for Facebook, Instagram, YouTube, Twitter, and LinkedIn. The footer also contains copyright information: © 2000 – 2022 Privacy – Terms and a note that Build-My-Bot ships all over the world.

Membership Page

The user can go through various membership subscription plans and add one to the cart if they wish to proceed with it.

The wireframe illustrates a membership page layout. At the top, there's a navigation bar with a search icon, a sign-in link, account options, and a shopping cart icon indicating zero items. Below the navigation, a breadcrumb trail shows 'Build-My-Bot > Membership'. The main section is titled 'PRICING PLANS' and displays three separate boxes, each representing a different membership plan:

- \$100 Plan:** Includes a title, subtitle, price (\$100), three checked features (Feature 1, Feature 2, Feature 3), three unchecked features (Feature 4, Feature 5, Feature 6), and an 'Add to Cart' button.
- \$200 Plan:** Includes a title, subtitle, price (\$200), four checked features (Feature 1, Feature 2, Feature 3, Feature 4), two unchecked features (Feature 5, Feature 6), and an 'Add to Cart' button.
- \$300 Plan:** Includes a title, subtitle, price (\$300), five checked features (Feature 1, Feature 2, Feature 3, Feature 4, Feature 5), one unchecked feature (Feature 6), and an 'Add to Cart' button.

At the bottom of the page, there's a footer with links to Home, About Us, Order, Contact Us, and Account, along with social media icons for Facebook, Instagram, YouTube, Twitter, and LinkedIn. The footer also contains contact information (Z Islander, 3803 Wellborn Road, Bryan, TX - 77801, +1 (979) 344 8494, buildmybot@gmail.com), a copyright notice (© 2000 – 2022 Privacy – Terms), and an 'ABOUT US' section describing the company's global reach.

Mockup Assignment

System Used: MacBook Pro

Screen Size: 14"

Home Page

The user will arrive on this page the moment they open the website. A carousel at the top of the page will allow the user to browse the numerous products that are offered. The user can also read a brief summary of the company's three USPs. A chatbot can be used by the user to address simple queries and issues.

The user can access these functions and features on all pages:

Header: The user can search for everything and anything on the website, including products, details, etc., using the search bar. They may quickly access the page links to travel to any page on the website. Account information and Cart can also be accessed.

Footer: Also if the user is at the end of the page and wishes to switch to another page, they have the choice to do that as well through the links. Links to social media handles, contact information, and a brief company description are also available.

The screenshot shows the homepage of the Build-My-Bot website. At the top, there is a black header bar with the logo 'BUILD MY BOT' on the left, a search bar in the center, and navigation links for Home, About Us, Order, Contact Us, and Account & Lists on the right. A shopping cart icon indicates (0) items. Below the header is a large yellow banner featuring a black and white image of a WALL-E robot made from LEGO bricks. The banner text reads 'Build-My-Bot' and 'Best Quality Robots at Affordable Rates'. A 'Order Now' button is located below the banner. The main content area has a white background. It features three circular gold seals: 'PREMIUM QUALITY 100% GUARANTEED', 'LOW PRICE 100% GUARANTEE', and 'MONEY BACK 14 DAY GUARANTEE'. Below each seal is a section with a title and a short description. At the bottom of the page is a dark footer bar containing links for Home, About Us, Order, Contact Us, and Account, along with icons for location, phone, email, and address, and social media links for Facebook, Instagram, YouTube, Twitter, and LinkedIn. The footer also includes copyright information: '© 2000 – 2022 Privacy – Terms' and 'Build-My-Bot is a Robot retailer and we ship all over the world'.

Login Page

The User is anticipated to log in following their exploration of the Home page. Here, users can log in by using a secure channel and their pre-set username and password.

The screenshot shows the login page for 'BUILD MY BOT'. The top navigation bar includes links for Home, About Us, Order, Contact Us, Account & Lists, and a shopping cart icon showing 0 items. The main content area has a black left sidebar with a 'Sign in' form containing 'Username' and 'Password' fields, and a 'Sign In' button. The right side features a yellow background with the text 'Hello, Friend!' and a 'Sign Up' button. Below this is a large image of a yellow and black robot. The footer contains links for Home, About Us, Order, Contact Us, and Account, along with icons for location, phone, and email, and contact information: Z Islander, 3803 Wellborn Road, Bryan, TX - 77801; +1 (979) 344 8494; buildmybot@gmail.com. It also includes social media links for Facebook, Instagram, YouTube, Twitter, and LinkedIn, and a copyright notice: © 2000 – 2022 Privacy – Terms. A small 'About Us' link is also present in the footer.

Sign Up Page

The User should switch to this page and create a new username and password to sign in later if they haven't already done so.

The screenshot shows the 'Sign Up' page of the Build-My-Bot website. At the top, there's a navigation bar with links for Home, About Us, Order, Contact Us, Account & Lists, and a shopping cart icon showing 0 items. The main content area has a yellow background on the left with a 'Welcome Back!' message and a 'Sign In' button. The right side features a 'Create Account' form with fields for Username, Full Name, Password, and Confirm Password, each with a corresponding input field. Below the form is a 'Sign Up' button. To the right of the form is a large image of a yellow and black robot (Wall-E). At the bottom, there's a footer with links for Home, About Us, Order, Contact Us, and Account, along with contact information (address: Z Islander, 3803 Wellborn Road, Bryan, TX - 77801, phone: +1 (979) 344 8494, email: buildmybot@gmail.com), social media icons for Facebook, Instagram, YouTube, Twitter, and LinkedIn, and a note about shipping.
